

Tennessee Junior Science and Humanities Symposium

Oral Presentation Score Sheet

1. Title of Paper: _____

2. Name of Presenter: _____

Note to Judges: The judging criteria for the Tennessee Junior Science and Humanities Symposium are based on the national standards as outlined in the booklet entitled "Instructions for Preparation and Presentation of Student Research." The national guidelines state the following: "The presentation is important in the evaluation; however, content, not form, will be given the major weight."
